Please keep your comments constructive and professional, abiding by the Principles of Community

- Erik was a wonderful TA this quarter. When we all seemed tired from midterms and other assignments, he would try to include comments to cheer us up, which I greatly appreciated. I went to his office hours almost every week of the quarter and I found them all very helpful. He explains things clearly and was very patient with me even if I had multiple questions. He was also a very welcoming and nice person overall, so I never felt intimidated to ask him anything. I really enjoyed being in his discussion/lab section!
- He was a really good TA before the strike happened. After the strike he did not hold office hours that were necessary for this class.
